

Challenge: Cleaning the toughest, greasiest messes

Solution 1: Prime Source Tuf Duty Cleaner/Degreaser

A concentrated, water-soluble, liquid detergent degreaser with extremely high dilution ratios. An ideal choice for most hard-to-accomplish cleaning and degreasing operations. Formulated for medium-to-heavy duty maintenance cleaning jobs where a single purpose product is required for the removal of greases, vegetable oil, waxes, inks, soft carbons, body greases, buffing rouges, and soot deposits from mobile equipment, plant machinery, conveyors, floors, walls, printing presses, plastic upholstery, shower stalls, light fixtures, metal parts, bowling pins and balls. It is an excellent product for use in automatic floor scrubbing machines due to its controlled low foam formula. Formulated with synthetic detergents, solvents, and alkaline builders to provide maximum cleaning and degreasing efficiency.

Solution 2: Prime Source Citra Kleen Cleaner/Degreaser

This fresh citrus scented mild product can perform many cleaning chores in industrial, institutional, and commercial settings. Non-butyl, moderate foam cleaner emulsifies grease, oil, and other soils for easy cleaning. Its low odor, water-based formulation enables this product to be used in enclosed or confined areas where ventilation may be inadequate for other cleaners.

Solution 3: Prime Source Breakdown #3 High Foam Degreaser

Effectively clean and degrease all surfaces in food and meat processing areas with this concentrated foaming cleaner/degreaser. Animal fat, blood stains, and greasy soils are easily lifted and removed from cutting boards, table tops, knives, saws, grinders, and other tools and equipment. Soils are then easily washed away with a hot water rinse.

Solution 4: Prime Source Power Spray Ready-to-Use Cleaner/Degreaser

This ready-to-use cleaner combines versatility and aggressive cleaning power in one product. Water-based solvent cleaner uses wetting agents and builders to quickly penetrate, loosen, and suspend grease, dirt, and other soils for removal without use of abrasives. Ideal for use in commercial kitchens on vent hoods, griddles, coffee urns, stoves, and countertops. Cleans tools, walls, exhaust fans, filters, and garbage cans in industrial operations. Removes crayon, ink, adhesives, and black heel marks in institutional facilities.

Solution 5: Prime Source Premium Plus Ultra Foamy Meatroom Degreaser

Ultra-foamy, non-butyl degreaser is perfect for use in supermarkets, foodservice, and food processing industries. Effectively clean and degrease all surfaces in food and meat processing areas with this concentrated foaming cleaner/degreaser. Animal fat, blood stains, and greasy soils are easily lifted and removed from cutting boards, table tops, knives, saws, grinders, and other tools and equipment. Soils are then easily washed away with a hot water rinse.

Solution 6: Prime Source Orange Solvent Natural Citrus Degreaser

This aggressive citrus cleaner will tackle the most difficult greasy soils. Apply with mop and bucket, sponge, brush, trigger sprayer, pressure sprayer, or in dip/soak tanks. This natural d-limonene solvent emulsion cleaner can be diluted with water for a variety of heavy-duty cleaning tasks. Quickly dissolves grease and grime on most hard surfaces while leaving a pleasant orange scent. Use the product to replace chlorinated solvents and carcinogenic cleaners. Ideal for removing heavy petroleum soils, food soils, rubber marks, adhesives, inks, and other water-insoluble soils.
