

Challenge: Keeping drains clog-free

Solution: Prime Source Pipe Dream #9 Drain Grease Digester

Keep drains open and free-flowing with this combination of rapid waste-digesting bacteria fortified with a unique free enzyme system. The special blend of beneficial bacteria and enzymes effectively combat clogs caused by soap, hair, food, grease, and other common waste. Because it contains no acids or harsh caustics, Pipe Dream is easy to use and safe for the environment, plumbing, and septic systems. Ideal for use in restaurants and institutional foodservice operations.
