

Chemicals

Challenge: Keeping employees and customers clean and free of residue

Solution 1: Prime Source Silky Pink Lotion Hand Soap

Pearlized hand & body soap produces a luxurious lather that is pH balanced and mild on skin, making it perfect for use as a hand soap or head-to-toe body shampoo. Ideal for most any facility with refillable liquid or lather type soap dispensers in restrooms, locker rooms, kitchens, or clean-up areas. Synthetic formulation has a pleasant almond fragrance and leaves no soap residue on skin or surfaces. Use in hotels, motels, campgrounds, schools, universities, restaurants, transportation terminals, basically any facility with refillable dispensers.

Solution 2: Prime Source Pearl White Hand/Body Soap

Pearlized hand & body soap produces a luxurious lather that is pH balanced and mild on skin making it perfect for use as a hand soap or head-to-toe body shampoo. Ideal for most any facility with refillable liquid or lather type soap dispensers in restrooms, locker rooms, kitchens, or clean-up areas. Synthetic formulation has a pleasant cherry-almond fragrance and leaves no soap residue on skin or surfaces. Use in hotels, motels, campgrounds, schools, universities, restaurants, transportation terminals, basically any facility with refillable dispensers.
