## CONCENTRATED EXTRA HEAVY DUTY Cleaner Degreaser

Versatility and effectiveness are the highlights of this extra heavy duty cleaner-degreaser. Diluted with water this product is an ideal cleaner in commercial, industrial and institutional facilities. Effectively clean light soils from common surfaces or grease laden soils from industrial equipment and parts. Use this product as a part of general housekeeping procedures or with steam or mechanical cleaning devices.

The concentrated, surfactant-built, alkaline formulation has been engineered to use its water-based solvents to rapidly penetrate, emulsify and suspend heavier soils. It provides outstanding performance when applied by mop, brush, trigger sprayer, sponge, pressure sprayer, steam cleaner, automatic scrubber or in hot or cold soak tanks.
