## Lotionized Dishwash Detergent

High detergent concentration with an added grease-cutting ingredient enables this manual dishwash product to effectively clean dishes, pots, pans, cutlery, table ware and other food service items. The environmentally safe formulation contains no phosphates. Dishes rinse freely without spots or streaks. A neutral pH and special emollients keep it mild for sensitive skin and easy on hands in continuous dishwashing operations. This pink, lotionized product is ideal for commercial, institutional and residential dishwashing applications.

<b>Features</b>	<b>Related Benefits</b>
Contains biodegradable surfactants	- Environmentally safe
Hard water performer	- Excellent grease cutter
High detergent concentration	- Economical use cost
Lotionized with special emollients	- Gentle to sensitive skin
