

TECHNICAL DATA SHEET

GENERAL INFORMATION

SLEEK cleaner keeps bright stainless steel brighter...day in and day out! It polishes, protects, cleans, dissolves oils, fats, greases, resins and water stains! It is also excellent for use on formica, porcelain, ceramic tile and chrome.

The polish is released as a light, no-drip film. Spray on. Wipe off. No pre-washing is required. The surface is coated with a water-repellent finish that retards oxidation, discoloration, water spotting, smearing and finger marking.

Containing a special combination of cleaners, degreasers, and hydrocarbons, SLEEK cleans and polishes leaving a gleaming surface. Cost and upkeep is cut to a minimum.

SLEEK contains no acid or abrasive substances, no waxes, silicones or chlorinated solvents and will not leave a powdery residue.

Do not use on cooking utensils, such as pots, pans, knives, forks or spoons.

DIRECTIONS

Shake well before using!

Hold can upright. Press button and spray a small area until wet. Use sparingly. Clean with one cloth and polish with another clean, dry cloth. Stainless steel surfaces remain cleaner longer because there is no film for soil to cling to. The gloss is renewed and will be retained. The cleaning process is simple. No rubbing is required.

Contains no acid or abrasive substances. Will not leave a powdery residue. Will not harm glass, rubber or plastic.

Not to be used on cooking utensils, such as pots, pans, knives, forks or spoons.

DANGER: HARMFUL OR FATAL IF SWALLOWED. If swallowed, do not induce vomiting. Get medical attention immediately. Vapor harmful. Use with adequate ventilation. Avoid prolonged or repeated breathing of vapors.

Do not spray in eyes. If sprayed in eyes flush with plenty of water. If irritation persists, get medical attention. Extremely flammable. Do not use near fire, flame or while smoking. Contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

SPECIFICATIONS

APPEARANCE: Very light gold

FRAGRANCE: Citrus

pH: None

SPECIFIC GRAVITY: 0.8390

OIL-BASED: Yes

SILICONE: No

FLAMMABILITY: Yes

ADDED SOLVENTS: Yes

USDA: C1

CONTENTS OF CAN: 15 oz.
