

CLEANERS

Concentrated GLASS CLEANER

Glass & Hard Surface Cleaner

No Streaks - Non Ammoniated - Antifog

Use this concentrated cleaner on all glossy, non-porous or reflective surfaces, and other hard surfaces. This product is formulated to penetrate and breakdown greasy or difficult soils with minimum effort. Designed to be fast drying to improve appearance, eliminate streaking and reduce the labor of polishing. This product provides tremendous cost savings when compared to ready-to-use glass cleaners or other types of concentrated glass cleaners. One gallon of this product yields up to 20 gallons of glass and hard surface cleaning solution.

The formula is non-ammoniated and has a light, pleasant fragrance when diluted with water. This concentrated glass cleaner meets all present V.O.C. and environmental guidelines.

Features	-	Related Benefits
Multi-surface cleaner	-	Use on glass, chrome, plastic & more
Institutional strength	-	Removes smudges & greasy fingerprints
Non-ammoniated	-	Effective cleaner without harsh odor
Fast drying	-	No streaks, no film
Variable dilutions	-	Economical

Areas of Use -

- Glass, plastics, reflective surfaces, chrome, metal, painted surfaces
- Stove tops, appliances, counter tops, laminated surfaces
- Fixtures, mirrors

To Use -

Dilute with water 1 to 20 (6 oz. per gallon). Spray solution onto surface, wipe clean and polish dry with a clean, dry, lint-free cloth. For use as an all-purpose cleaner use no more than two pints of concentrate with water to make one gallon (1 to 3). **See label for complete directions and use only as directed.**

Specification Data

Available Sizes -	4/1G	Physical State -	Liquid
Color -	Blue	Fragrance -	Floral
Foaming -	Great	Free Rinsing -	Yes
Flash Point -	> 212°F	USDA -	No
Specific Gravity -	0.9965	pH (undiluted) -	7.2 - 8.5

Recognized for Safer Chemistry
